

Thank you for this opportunity to serve your aviation and piloting needs.

TakeWING Aviation is a flight school and aviation club. We provide well-maintained aircraft and unsurpassed instruction for both aspiring pilots and for those who are already pilots. Our small, friendly school, is a Cessna Pilot Center and maintains a highly regarded reputation for excellence.

We expect all members of our flying club to be conscientious caretakers of our aircraft and strive for the highest standards of piloting skills and safety.

TakeWING Aviation Club Enrollment Steps

A minimum two-month membership in our flying club is required when you enroll in our flight school or if you desire to rent club aircraft.

STEP 1—Application

Please submit your application along with your application fee within 30-days of joining our club.

Step 2—Orientation. Please call to make an appointment for your club orientation. During your club orientation we will:

1. Review your completed enrollment and application forms.
2. Review with you any previous piloting experience or training you have acquired and make copies of your FAA pilot Certificate, FAA Medical, Driver's License, and evidence of your previous flight review (if you have had one within 24 months).
3. Explain our aircraft rental agreement, liability waiver, and other legal forms that you are required to sign.
4. Provide you with a copy of our *Membership Handbook* and review our standard operating procedures with you.
5. Set up your access to our Internet scheduling system and provide you with training on how to use this system.
6. Tour of the facilities, aircraft, and full motion Redbird FMX flight simulator.
7. Complete your purchase and payment of pilot supplies and club fees.

TSA Required Documents for *Pilots in Training*:

TSA regulations require anyone training for a *pilot certificate or rating* to provide proof-of U.S citizenship (or a TSA preauthorization for non-U.S. citizens). Please bring either your **U.S passport** or your **birth certificate** (a copy of your birth certificate is acceptable) when you come for your orientation.

Pilot headset. Your Club membership includes the use of our pilot headsets. However, if you prefer to purchase your own, we highly recommend a noise-canceling headset (ask us for a recommendation). We can purchase it for you or give you information on how to purchase yourself. Good quality new pilot headsets cost between \$300 and \$900 depending on the brand.

iPad with the Foreflight App (<https://www.foreflight.com/>):

An iPad mini (or iPad) is an extremely versatile and useful product for pilots. Foreflight is a subscription-based application designed for pilots using iPads. We recommend that you consider adding an iPad with the Foreflight subscription to your pilot training equipment. On Apple products (iPads, iPhones, etc.).
